

beam®

be present

With natural mobility and immersive telepresence, Beam[®] puts you in the room with the people who matter most.

The Beam App

Expand Your Reach

Meet with remote clients, monitor overseas manufacturing, or consult with dispersed team members without traveling.

Stay Connected

Get to where you're needed, when you're needed, with a single click.

Leverage Remote Mobility

Break free from the conference room wall and benefit from face-to-face interactions without boundaries through Beam Presence[®].

Interact Effectively

High-quality audio and video capabilities ensure that you'll get your point across, while allowing you to listen and read the room as if you were there.

Choose the Beam® that fits your needs.

		standard	enhanced
Battery	Long-lasting lead-acid battery. Assisted-docking feature allows for effortless charging.	Up to 2 Hours	Up to 8 Hours
Screen Size	High-quality display brings you clearly into the room.	10 Inches	
WiFi Connectivity	Dual-band 802.11 a/b/g/n wireless radio. Optional second radio combines with patented roaming algorithms to provide seamless WiFi connectivity. LTE availability via USB.*	1 Radio	2 Radios
