

beam^{pro}TM

Natural Mobility and
Immersive Telepresence

BeamPro[®] puts you in the room with the people who matter most.

Expand Your Reach

Meet with remote clients, monitor overseas manufacturing, or consult with dispersed team members without traveling.

Stay Connected

Get to where you're needed, when you're needed, with a single click.

Leverage Remote Mobility

Break free from the conference room wall and benefit from face-to-face interactions without boundaries.

Interact Effectively

High-quality audio and video capabilities ensure that you'll get your point across, while allowing you to listen and read the room as if you were there.

BeamPro® at a Glance

Battery	Long-lasting lead-acid battery. Assisted-docking feature allows for effortless charging.	Up to 8 Hours
Screen Size	Large screen brings you into the room with life-size presence.	17 Inches
WiFi	Dual-band 802.11 a/b/g/n wireless radios combine with patented roaming algorithms to provide seamless WiFi connectivity. LTE availability via USB.*	2 Radio
